Heads up on this.

Bill, should include in today's end of day wrap up.

Thanks.

Marianne

That would be helpful! Both for the social media and sharing with the NW air news media contacts. And thanks for that clarification. 😊

Sandra

We can amplify via our social media and, if helpful, we can share with our NW air news media contacts. It's not our announcement though, so no press release from EPA.

Hello,

Would it be possible to issue a press release, using the same language below, to help amplify the burn ban by the Tribe? Or something else that would amplify this? Warm Springs Tribe is issuing this burn ban, not EPA.

Thank you,

Subject: Warm Springs Reservation Wide BURN BAN ISSUED due to Water Shortage -2019.WATER ISSUE.jpg

Hi all,

Just to let you know, Warm Springs has issued an Emergency Reservation-wide burn ban due to the lack of water for fire suppression on the Reservation.

The 14" water main crossing Shitike Creek has broken, resulting in a loss of water to most of the Reservation. In addition to the lack of water for fire suppression, potable drinking water has been affected. Bottled water is being supplied to Tribal member families and various departments affected by this emergency situation.

I'll keep you updated as our water supply system is repaired.

Tim

RESERVATION WIDE BURN BAN ISSUED

June 3, 2019

THIS BAN IS EFFECTIVE IMMEDIATELY AND UNTIL FUTHER NOTICE

Warm Springs Tribes has declared a State of Emergency due to the current water supply situation. A RESERVATION WIDE BURN BAN IS ISSUED, with dry fuel conditions and lack of water for fire suppression, it is critical we take precautions to help protect the people, property and resources of the Warm Springs Reservation.

A BURN BAN MEANS:

1. **All outside agricultural and residential burning is NOT allowed.**

This includes weed burning, burn barrels, and burn bins.

2. **All HOT WORK in all facilities is banned:** All operations involving open flames or that produce heat and/or sparks. This includes, but is not limited to: brazing, cutting, grinding, soldering, torch-applied roofing and welding.

3. **All fireworks are prohibited.**

4. **Outdoor camp fires are not allowed in a declared burn ban.**

Only cooking in BBQ (propane or charcoal) or camp cooking stove is allowed.

5. **All ceremonial and traditional fires are exempt from this burn ban.**

Recommendation by Warm Springs Fire Management Prevention should be considered before burning.

For further information on the Burn Ban status, please contact the Warm Springs Fire Management Prevention team at 541-553-2413.
